

# CHANGE YOUR FUTURE.

Dear Parent/Guardian,

**National Citizen Service Year 11 Parent/Carer Information Evening**  
**In the West Hall Tuesday 24<sup>th</sup> April 2018 at 5:30-6:30pm**

The National Citizen Service is an amazing opportunity for all year 11s. Driffield School and Sixth Form already have over 65 students signed up for this summer's programme. Your son/daughter has been visited three times this year by the *Tigers Trust* who are running the NCS. If your son/daughter hasn't yet signed up then there is still time.

The NCS programme lasts 20 days. The first 5 days students will complete a personal development residential. This includes activities such as rock climbing, canoeing, rafting and gorge scrambling. They then complete a community involvement residential for 5 days. This will provide an insight into the local community and working with local businesses and organisations. The final two weeks will be focusing on the planning and delivery of a social action project in the local area of Driffield and surrounding villages.

NCS is a national recognized programme, enabling the students who access it to benefit in many ways. The programme is largely funded by the government, with the cost heavily subsidized at only £50.

We would like to invite all year 11 parents/carers to an NCS Parents Evening at Driffield School. This is a great opportunity to find out everything about your child's specific trip and to ask us any questions you may have. This will also be an opportunity to get your child signed up to the programme, so they don't miss out. We would greatly appreciate it if you could make the evening.

If you have any questions or you cannot make the parents evening, please call 01482 358371 or email [ncs@tigerstrust.co.uk](mailto:ncs@tigerstrust.co.uk) or phone school on 01377 253631 and ask to speak to Mrs. Mortimer, Co-ordinator of CEIAG.

Kind Regards,

Matt Conway | NCS Senior Team Leader
