Dear Parent or Carer,

RE: Parental Consultation

I am writing to invite you to share your views on remote progress evenings.

As you are aware, since September, progress evenings have been held online. As schools return to a more normal academic year in 2021 / 22 we would appreciate your views and opinions on how successful these virtual progress evenings have been. We want to find the best way to talk to you about how your child is doing at school and this survey will help us with that.

Please click on the link below to access the survey:

Many thanks in advance for taking the time to complete this.

Yours faithfully,
