Dear Student,

RE: Activate

I wanted to take the opportunity to update everyone regarding the Sixth Form “Activate” transition event. We are still planning to hold the event “in person” and very much look forward to welcoming you to the Sixth Form.

The timetable for the day can be accessed through the school website through the following link https://www.driffieldschool.net/images/6thform/ACTIVATE_2021.pdf so that you can plan your day. There are two sessions available for each subject, to help you to avoid any clashes. Please be aware that the same content will be delivered at each session, so you only need to attend one. As I mentioned in the previous letter, I encourage you to explore as many subject areas as possible, in addition to the three/four you are primarily considering, as many students find that they discover something new at A Level.

When you arrive for the day please come straight up to the Sixth Form Common Room, where I will be ready to speak to you and where you can collect a timetable that has the rooming for the day.

We need to move our Monday “Pub Quiz to earlier in the day, so this will now occur from 4.00 pm - 5.00 pm on Monday. Please indicate your intention to attend and likely team members through the following link <https://forms.office.com/r/Nf4eN2HdWZ> (this is also available on the website).

Please be aware that we will continue to monitor developments in regard to Covid-19 and may be forced to reschedule, or organise a virtual alternative to “Activate”, if there are further developments in regard to restrictions.

Yours faithfully,
