Dear Parent or Carer,

RE: East Riding College Visit

Sadly, East riding College has decided to postpone our Year 10 college taster morning on the 14 July.

We appreciate it is important that all students know about the post 16 choices. Vocational information about East Riding College has been included on the form programme. Future open days and open evenings are shown on their website and on Log On Move On. The virtual tour of the college is shown here <https://www.youtube.com/watch?v=r9iY7l4BH8A>

In September we are hoping that it is possible for representatives from the college to come and talk to students about post 16 choices.

Yours faithfully,

A handwritten signature in cursive script that reads "R. Mortimer".

Mrs R Mortimer
Coordinator of Careers, Education, Advice, Information and Guidance
