Dear Parents, Carers and Students

RE: Ofsted inspection outcome

I am writing to you with details of our recent Ofsted inspection, which took place on 8 and 9 January, and resulted in Driffield School and Sixth Form being judged as **good** in all areas.

I am delighted that the hard work of all students, staff, parents and governors has paid off and we want to take this opportunity to thank our entire community for the support you have shown your local school during recent years.

We are very proud that the Ofsted report reflects that Driffield School and Sixth Form provides a good quality of education for students across all key stages and the school is deemed a 'friendly and happy place' where 'pupils behave well and are positive about the school'. We pride ourselves on our 'Believe, Achieve' ethos and this is echoed in the report: 'staff and pupils work well together. They work very hard to achieve their ambitious goals.'

Although we are obviously delighted by the outcome of the Ofsted inspection, we are not complacent. We continue to be ambitious for all our students and are determined to ensure that we build on the recent progress. So, we will celebrate today before quickly getting on with the job of ensuring all our students enjoy the very best possible education and experiences during their time with us.

The full report is attached and also available on our website and we hope you enjoy reading it.

Yours faithfully

A handwritten signature in blue ink that reads "S. Ratheram".

Mr S Ratheram
Executive Principal
