Dear Parent or Carer,

**RE: Lucy Faithfull Foundation Webinars**

During the summer term, you may have been aware of items in the national news or social media outlets making reference to a national review regarding peer-on-peer abuse or harassment within schools. This is an area that all schools, including ourselves, take very seriously and have very robust procedures in place to tackle such incidents should they arise. Also, as part of our continued work to ensure all young people are safe and feel safe topics such as this are explored with students through our robust APEX and RS curriculum, alongside continued staff training opportunities.

This term, we are pleased to share that in partnership with other schools within our trust, we have secured the support of The Lucy Faithfull Foundation ([www.lucyfaithfull.org.uk](http://www.lucyfaithfull.org.uk)), who have offered an opportunity for parents and carers to join an online workshop to raise awareness. The workshops will take place on:

Wednesday 29 September 2021 (18.00-19.00)

Wednesday 13 October 2021 (18.00-19.00)

The first session is a more general session regarding the risks faced by young people and the second session follows on in more depth, for those interested. Please see the attached a flyer to the letter with further information.

If you are interested in taking part in one or both of these workshops, please could you email [office@driffieldschool.org.uk](mailto:office@driffieldschool.org.uk) by Monday 27 September and further information will be shared with you.

Yours sincerely,

Mrs D Dalton  
Deputy Headteacher
