Dear Parent or Carer

### RE: Intervention Sessions

Please find below the timetable of additional intervention sessions being offered by Sixth Form teachers over the coming weeks to support the progress of our Year 13 students. I am extremely grateful to the dedicated staff who are running sessions. We hope that the students will respond to this commitment from our staff by attending as many sessions as they are able. I appreciate that there may be unavoidable clashes in some subject areas due to the many complex subject combinations that students have. If students do experience a clash they may choose to alternate between sessions, or can collect any revision materials used from subject teachers.
