Dear Parent or Carer

**RE: Duke of Edinburgh Award**

I am writing to you to encourage Duke of Edinburgh (DofE) participants to continue with their hard work on their Skills/Physical and Volunteering sections of their Awards at home.

There are a number of DofE participants who are on track to finish their awards before Christmas, if we can have a big push on completing any outstanding sections before the Christmas holidays that would be fantastic. Given the current situation, I'd like to be able to present as many students as possible with their full award certificates, or in the case of the current Bronze Cohort, with their certificate of achievement as they've been unable to expedition as yet.

I would be grateful if you could encourage your child to finish their outstanding sections and get their assessor reports submitted by the 11 December so that we can approve and verify them before the Christmas break.

It would be great to see as many DofE participants as possible receive their certificates before the Christmas holidays, especially given the tremendous work they've put in to their Awards, and in such uncertain times.

In the absence of a whole school celebration event this year, I will look at hosting a celebration event specifically for Duke of Edinburgh students when we are able to do so, however, in the meantime I'd like to be able to issue as many students as possible with their certificates.

As ever, if your child has any questions or queries, please feel free to contact me via email.

Kind Regards,

Miss J Yates

A handwritten signature in black ink that reads "J Yates".
