Dear Parent or Carer

RE: Year 11 Mock Exams

At the end of this term Year 11 mock exams scheduled to take place between Monday 7 December and Friday 18 December.

- Mock exams for core subjects will take place during the week beginning Monday 7 December 2020.
- Mock exams for option subjects will take place during the week beginning Monday 14 December 2020.

Students have already received their timetables following the Year 11 Core Revision Day that took place last week. We will also send copies of these to parents and carers in the next few days.

I would like to also reassure you that the continued safety of our students is important to us. As such we have fully reviewed and risk assessed our exam procedures and made adaptations to ensure that these mock exams are conducted in a COVID secure way for both our students and staff. In light of this, students will need to make sure that they bring the necessary equipment for each mock exam, as we want to minimise the loaning and sharing of equipment.

We also fully appreciate that the current circumstances might mean that students may have to isolate during this mock exam period. Where any Year 11 student is unable to sit their mock exam in school due to isolation we will make arrangements for them to be able to complete the exam paper at home, and we ask that where possible you facilitate that these are completed in exam conditions.

If you have any further questions please do not hesitate to contact me.

Yours sincerely

Mr M Evans
Assistant Headteacher
