

13 November 2020

Dear Parent or Carer

'Period 4' After School Programme

As mentioned in our virtual Year 11 information event, I am pleased to inform you that our 'Period 4' after school intervention programme will commence from **Monday 16 November**.

This gives students the opportunity to attend extra sessions with subject specialists, focusing on key topics and revisiting difficult concepts in preparation for their mock and external GCSE examinations next year. This is especially important for this year group, due to the ongoing disruption they have faced in light of the Covid-19 pandemic.

The sessions will run from 3.35 pm – 4.35 pm. Please see below the timetable allocated to your child, based on discussions with students and teachers:

Personalised individual timetables have been sent to each student.

If your child normally uses a bus to travel home, and would like to do so after these sessions, please indicate the route and evenings needed on this link:

<https://forms.office.com/Pages/ResponsePage.aspx?id=FQwRfuQAF0eCEfeLYA6iFEuv6x7uTpZAtWNjq8HN0uNUNk9IWEU4TTVYWTU5NDhUQTA4VdERUQyQS4u>

This is a great opportunity for students to gain the confidence, knowledge and skills they will need to demonstrate next summer and we expect them to make the most of this by attending as many sessions as they can. We look forward to your support with this. If you have any questions, please feel to email Year11info@driffieldschool.org.uk.

Yours faithfully

John Loftus
Deputy Headteacher
