Dear Studnet

6th Form Patrolling Opportunities (£9.00 per hour)

I hope that you and your family are keeping well during this difficult time. We continue to look forward to a point in the future when we will be able to return to a more normal situation and see you all back in school.

We are starting to plan for September and we do employ Sixth Form Students, often referred to as 'yellow coats' by students, to work with our staff supervising students at lunchtime both in the canteen areas and in the outdoor areas of the school. This is a good way to earn extra money as the school's rate is almost double the national minimum wage normally paid by local businesses (£4.55 per hour), as well as being useful work experience which you can share with future employers or prospective universities and colleges.

I hope that you will give consideration to applying for this opportunity. If you are interested, please can you fill in the application form which has been emailed to you and email the application to Miss Sanders (lsanders@driffieldschool.org.uk) in the school's HR team by no later than **13 May 2020**. If for any reason you have not received this, please can you contact Miss Sanders by email and she will email it to you directly. There are a lot of checks we need to do for anyone to become an 'employee' of the school so although September may seem a long way off at this stage, it enables us to have time to carry out this checking process. We always work round individual preferences, so if there are specific lunchtimes you cannot work due to lunchtime activities or classes, you won't be required to work these.

I am really looking forward to getting back to normal next year and if you do have any queries about this, please do not hesitate to contact either myself at dandrews@driffieldschool.org.uk or Miss Lord the school's HR Manager at slord@driffieldschool.org.uk and we will do all that we can to help.

Take care

A handwritten signature in black ink, appearing to read "D Andrews".

Mr D Andrews
Head of Sixth Form
