Dear Parent or Carer

RE: Year 7 Flu Immunisations – Catch Up Session

I am writing with information on the Year 7 Flu immunisation catch up session. If your child has already had their vaccine, please disregard this letter.

For those students whose parents have already completed the online consent form, but who did not get their vaccine on 22 October, these will automatically take place during the catch up session on 14 December 2020. You do not need to take any further action.

If you did not complete the consent form prior to half term but now wish for your child to have the flu vaccine, please contact IntraHealth on 0333 358 3397 option 9 then option 2. Please ensure that you listen to the end of the recorded messages before pressing the options. A staff member will be there to take calls up to 2.30 pm each day at present.

Yours faithfully

Mrs F Green
Health Adviser
