Dear Parent or Carer

RE: Data Protection Law – Action Required

As part of the Year 6 Booklet that you completed for your child, we asked you some questions about consents for photographs. Unfortunately the form did not allow you to check more than one box and we are therefore writing to request that you complete the attached form and return it to school.

We value using photos/videos of students, which allow us to communicate information about school life and student achievements via school publications (including booklets, leaflets and prospectuses), social media, internal displays, external advertising/media and the school website.

If you are happy for us to take and use photos/videos of your child and use them in the ways described above, please tick the relevant box(es) on the attached form and return this form either via e-mail to office@driffieldschool.org.uk or to the ACE reception by Friday 2 October 2020.

Should you wish to amend your preferences in the future, please send an update via email to office@driffieldschool.org.uk

Yours sincerely
