Dear Parent or Carer

RE: Student Finance

After Easter we will be starting to begin looking at the alternatives that are available to our Year 12 students, following their time in the Sixth Form, with much of Year 13 being spent applying for university places and apprenticeships.

One key concern for students and parents is often the matter of student finance. I will provide further information about this and the University application process later in the year, but included with this letter is an invitation to a virtual information evening on student finance for parents and students, provided by the University of Hull. This is a service provided by one of our partner universities to provide an overview of the student finance system. Students do not need to be interested in applying to the University of Hull to attend this evening, it is open to all.

If you would like to attend the evening, please just register through the invite. If you cannot attend, you will be able to receive a recording of the event if you register.

Yours faithfully

A handwritten signature in black ink, appearing to read "D Andrews".

Mr D Andrews
Head of Sixth Form
