Dear Parent or Carer

RE: Literacy Development

We are currently reviewing the ways in which we support students' literacy development at Driffield School & Sixth Form, including:

- Reading skills
- Writing skills
- Vocabulary development
- Speaking and listening skills

As part of this, we're gathering feedback from various members of the school community on what these things look like in lessons and how they link in with extra-curricular literacy (through activities like reading for pleasure).

We'd really appreciate your feedback as a parent or carer, which you can give by filling in the form at [this link](#).

Please don't hesitate to get in touch if you have any further questions.

Yours faithfully

Mr R McDonald
Director of English

Mrs F Warren
Director of SEND
