

12 January 2020

Dear Parent or Carer

RE: Year 9 Options Evening

I am writing to inform you about our Year 9 options event that will be available from Thursday 14 January 2021. Due to the unusual circumstances that we find ourselves, this year's options event will be held virtually. The event can be accessed using the following link or by following the links on the school website:

options.driffieldschool.net

This is an important time for our Year 9 students as they begin to consider their options, not only for their GCSEs, but thinking ahead to what they would like to do at Sixth Form and beyond.

The purpose of the virtual options event is to explain the options process, inform you of important information and dates relating to your child's option choices and offer some initial help and advice. The online event is made up of an introductory video and well as individual videos for each of the many courses that we offer here, giving students the opportunity to explore all the different subjects so that they can make informed choices and they progress into their GCSEs.

Also available for you to view is the options booklet. This is a comprehensive guide of the options process, information and guidance, and information about each of the subjects available to students.

We hope that you enjoy accessing this information and I look forward to working with you and your child throughout the options process.

If you have any further questions reading the options process or information about specific subject, please contact us at options@driffieldschool.org.uk.

Yours faithfully

Mr M Evans
Assistant Headteacher
