

Careers Update

July 2021

The CEIAG team wish all our parents/carers and students a fabulous summer!

To help all parents/carers and students please click below to access the Parental Guides:

[Apprenticeships](#)

[Post 16 Options](#)

[University Applications](#)

[University](#)

[Degree Apprenticeships](#)

These will also be posted on our new website ready for September. The guides are an excellent source of up to date and impartial careers information. It will help you guide your child to make the best decisions to meet their needs.

Ask Apprenticeships Parent Newsletter June 2021

The Parents' and Carers' Pack for Apprenticeship Information for June 2021 is a great to explain opportunities in apprenticeships and T levels, please click this [link](#).

The brilliant [podcast](#) 'The Parent Perspective Podcast' will help parents/carers to help their children have a better understanding of making decisions about their potential future careers.

Shape Your Future in the Humber

This really useful [booklet](#) helps to explain the different qualification levels, routes and training pathways. It gives the different work sectors and explains the wide variety of careers in each sector. It also gives suggestions of new and possible jobs of the future.
