Dear Parent or Carer

RE: Face covering in school

As you will no doubt be aware, as part of Step 3 of the Government's 'Road Map' out of the current pandemic, the guidance around face coverings in schools is due to change from Monday 17 May 2021. Please find below a link to this updated guidance which I hope is helpful.

In line with this, **students will no longer need to wear a face covering in school from Monday 17 May**. Should a student wish to continue to wear a face covering in school then they are welcome to do so. The guidance on public transport remains unchanged and therefore **students accessing school via public transport will still need to wear a face covering** throughout their journey.

Thanks again for your ongoing support.

Yours faithfully
