

CEIAG Update February 2022

Apprenticeship Information

We are celebrating National Apprenticeship Week from 7 - 13 February with our students. There are many more opportunities for students' post 16 and post 18 and it is important that students know their choices.

Ask Apprenticeships have created a parent/carer newsletter specifically about apprenticeships – please click this to access [Parent-Pack-Jan-2022.pdf \(ctfassets.net\)](#)

The Parents Guide have also created a newsletter about apprenticeships to support parents/carers please visit <http://driffieldschool.net/wp-content/uploads/2021/07/The-Parents-Guide-to-Apprenticeships-2021-2022-1.pdf> and for degree apprenticeship information <http://driffieldschool.net/wp-content/uploads/2021/07/The-Parents-Guide-to-Degree-Apprenticeships-2021-2022-1.pdf>

On Tuesday 8 February is the Humber Apprenticeship Show from 10 am – 3 pm. Please follow the link to join: [Humber Apprenticeship Showcase by Springpod](#)

This event will showcase the following businesses:

- DFDS
- Balfour Beatty
- Wienerberger
- Arco
- Renewable Energy Systems
- Keepmoat Homes
- Hull University Teaching Hospitals NHS Trust

Local apprenticeship opportunities include the Swift Academy. Swift Group is the UK's largest manufacturer of Touring Caravans, Motorhomes and Holiday Homes; they are proud to be the only organisation to operate across all three sectors. They are currently expanding across Europe, Asia and Australasia! Please follow this link for more information: [Work For Swift :: Swift Group](#). Students must have grade 4 or above in Maths and English, attend and pass a Swift Academy Assessment day, have the ability to follow instructions and diagrams, have a good eye for detail, good communication and problem solving skills, the ability to work on their own and as part of a team. If interested then please look on the website for more detail and send your CV to: swiftacademy@swiftleisure.co.uk

Students interested in a career in construction can access support from Morgan Sindall Construction please firstly look at their website: [Careers in Construction National Apprenticeship Week 2021 - Build the Future | Morgan Sindall Construction](#).

During National Apprenticeship Week Morgan Sindall are running 5 different talks about apprenticeships and construction with Speakers for School. Please copy this link and please register in advance: <https://www.s4snextgen.org/students/Take-Part>

The evening sessions run every day during National Apprenticeship Week from 6 – 7 pm.

Build the Future: Morgan Sindall
National Apprenticeship Week 2022

Young Professionals Virtual Free Events

On **Monday 7 February from 5 pm – 6.30 pm** there is a virtual event run by Young Professionals. The Event includes: IBM, VMware, Goldman Sachs, Capgemini, World Wide Technology, Virgin Media, Vodafone, Experian and QA.

This event is a fantastic chance to hear from some of the world's leading technology professionals and learn about this ever-evolving industry.

Throughout the evening you will hear from all the employers mentioned above in the form of **mini-interactive workshops**.

Please register on this link: <https://www.surveymonkey.co.uk/r/TechTheFuture-Event>

On **Tuesday 8 February** from **5 pm – 6 pm** there is a virtual Siemens inclusive-to-all Engineering event. The event is showcasing the mobility arm of the business. The mobility environment is being shaped by three megatrends: climate change, population growth and digitalisation. These trends demand for seamless, sustainable, reliable and secure mobility solutions to ensure a high quality of life for 9.6 billion people worldwide by 2050.

Year 11 Open Events

All Year 11 students must have a future destination. This can be Drifffield Sixth Form or another sixth form, college, or apprenticeship. All students must stay in education or training until the age of 18.

Students can access more information about colleges and sixth forms on <https://www.logonmoveon.co.uk/events>. The events page also shows apprenticeship events and all college and sixth form open days/evenings and taster days.

Year 11 students can access a careers appointment on Monday's with Jane Device. They can also drop in at break and lunchtimes for an informal chat.
