# Parent & Carer Bulletin

Thursday 7 April 2022

Our exam groups continue to work extremely hard towards their examinations; 174 Year 11 students have accessed 3504 hours of consolidation lessons since the period 6 programme started. During the Easter holidays, we will be running a number of GCSE and A Level exam boosters to supplement the revision that students will be completing at home in preparation for their examinations that start in May. Timetables for these have been shared with students and parents but if you have any queries, please don't hesitate to contact us. Please be aware that the canteens will not be open during the holidays. If your child would like to stay on school site during lunchtime, please ensure they bring a packed lunch and there will be a designated area for them to eat. Period 6 sessions will continue to run next half term as we near the exams that start in May. We would like to thank staff for giving so freely of their own time to ensure that we can run such a rigorous programme of support for students as they prepare for their examinations.

As we near the end of a long half term, we would also like to thank all parents and carers for their ongoing support this year. We wish you and your families a lovely Easter holiday.
