Dear Parent or Carer,

RE: Maths and English Easter Boosters

We would like to invite your child to attend revision workshops for GCSE English language on Friday 22 April (9 am – 12 pm in East Building).

The purpose of the booster session is to complement your child's independent revision and the Period 6 sessions that are on offer, revising key elements of the courses and using revision strategies to set them up for further revision in the summer term. These exams are worth 100% of your child's overall grade for each subject. As we now know have details of the exam content (as released by AQA), we will also be ensuring that the session targets these areas.

The session will start at 9.00 am and finish at 12 noon. Your child should go to the East Building when they arrive. Where your child is attending other sessions in the afternoon, they should bring lunch with them.

We strongly recommend that your child attends these sessions in order to give them the best opportunity to reach their potential in their English language GCSE.

Please could you use the form at the link below by 4pm on Sunday 3 April to indicate if your child will be attending: <https://forms.office.com/r/Z7RH0bfQbs>. Or alternatively, please use the QR code below:

Thank you in advance for your support.

Yours faithfully,

Mr R McDonald
Director of English
