Dear Parent or Carer,

RE: Year 7 Personal Development

As part of our work around personal development at Driffield School, we are looking to offer students an opportunity to develop teamwork and leadership skills through a range of different roles. One of these roles includes supporting our central administration and pastoral teams for just one day during the academic year. They will be on a rota with one other student from their form group. Whilst doing this role, they will still be able to get on with their learning or complete any outstanding home learning at an allocated desk.

If you would prefer your child not to be involved in this opportunity, please click the link below and record their name:

Thank you for your support.

Yours faithfully,
