

23 March 2022

Dear Parent or Carer,

RE: GCSE Study Skills Seminar

Having chosen their options at the end of Year 9, our Year 10 students have made a very positive start to their GCSEs and we have been impressed by their positive work ethic and attitude towards their studies.

On Monday 28 March, Year 10 students will be off timetable in the afternoon to take part in a workshop with an external motivational coach, who will be delivering a session on 'Limitless Potential'. This is a motivational seminar aimed at students preparing for examinations and it is designed to inspire students to achieve their best. The session will focus on empowering students to have high aspirations and equip them with strategies to support them as they prepare for their GCSE examinations. Students should go to their Period 4 lesson as normal and their class teacher will escort them to the session once they have been registered.

As always, many thanks for your continued support. Please do not hesitate to contact your child's Head of Year or Head of House if there is anything more we can do to support your child in school.

Yours faithfully,

Mrs V Loftus
Deputy Headteacher
