Dear Parent or Carer,

RE: Year 13 leaver's yearbook

After an eventful two years we have shared, we have decided to create a leavers yearbook that captures all our memories from our time at Sixth Form.

The yearbook includes photographs, messages and awards given throughout our time at Sixth Form, to help us remember in years to come the amazing times we shared through what was such a difficult time for everyone.

The yearbook is a hardback, coloured A4 book costing £17 which will be given out on out results day allowing students to sign each other's books on the allocated blank pages.

The yearbook can be ordered up to 9 am on Monday 30 May via the link below:
