Dear Parent or Carer,

**RE: Curriculum letter**

It has been a delight to welcome our new Year 7 cohort and a real pleasure to see them enthused about the new subjects they are studying at secondary school. I would like to share with you our Year 7 curriculum guide to provide you with an outline of the knowledge and skills your child will be taught across their subjects this academic year. It also gives advice on some of the ways you are able to support your child's learning at home for each subject. Throughout the year, you will also receive a regular curriculum update that provides you with a summary of what your child is learning in school each half term.

At Driffield School, we always offer a wide range of enrichment opportunities for students (both at lunchtimes and after school) as we encourage them to take part in activities outside of their timetabled lessons. We are currently in the process of updating our extra-curricular timetable and I will write to you to inform you of these opportunities in the next few weeks. Students will also see these promoted through their form programme.

I hope that your child has had a positive transition to our school and enjoyed their first week with us. Please don't hesitate to contact your child's Head of Year, Miss Axon, or Head of House if there is anything more we can do to support your child in school.

Best wishes,

Mrs V Loftus  
Deputy Headteacher
