20 October 2022

Dear Sir or Madam,

RE: Driffield School & Sixth Form Careers Fair, 30 November 2022

Driffield School & Sixth Form is holding a Careers Fair on Wednesday 30 November 2022 from 5 – 7.30 pm, with set-up from 4.30 – 5 pm, to be held in the North Hall and North Canteen. The evening will provide an opportunity for students from all year groups and their parents or carers to visit the various stands to discuss future qualifications and careers post 16 and 18. The aim is to offer students an opportunity to find out about further and higher education, apprenticeships and potential future career pathways and to build their knowledge of entrepreneurial skills.

We would like to invite you or a representative from your organisation to attend to help promote the choices available. Each organisation will be given a table to help with marketing. We would like the evening to be as interactive as possible. The event will be advertised externally, so there may potentially be students from other schools and colleges in attendance. Please note that following the event it will feature in the local press; and video footage may be taken and used for educational purposes across The Education Alliance.

If you are interested in attending or could offer further information about your organisation and career opportunities available, please email me on the address provided below. If you have any further queries please do not hesitate to get in touch. We look forward to working with your organisation.

Yours faithfully,

A handwritten signature in black ink that reads "R. Mortimer".
