Dear Parent or Carer,

RE: Parental Workshops

Earlier this academic year we launched the first of our workshops that are planned to support parents and carers in our school community.

The first of these parental workshops were held during the school day looking at literacy and numeracy support strategies. We are now repeating these as twilight sessions on Thursday 1 December. We are also offering an additional session on this evening delivered by MIND on "How to deal with anxiety". All three sessions will be running at the same time so you would only be able to attend one of them on this evening. Should these prove popular, we will offer them again later in the academic year so that parents and carers can come to a different session at that time. Specialist teachers from our English and mathematics departments as well as a colleague from MIND will be delivering the sessions.

The events will be on Thursday 1 December and will start from 4.45 pm with tea, coffee and cake available in the ACE building where the main school reception is. There is a planned start for the sessions of 5 pm. The sessions will last approximately thirty minutes with an opportunity for any questions at the end.

If you are interested in joining us for any of these, please access the links below by Monday 28 November. Spaces are limited for these events but as aforementioned, if they are popular, we will look at offering some additional sessions.

Supporting your child with reading for pleasure:

<https://www.eventbrite.co.uk/e/supporting-your-child-with-literacy-tickets-472583649417>

Supporting your child with numeracy:

You will also be aware that we are holding a drop-in session to offer support with the Edulink One app on this night. The drop in will run from 4 pm – 5 pm and will also be in ACE building. You will therefore be able to drop-in to this before the workshops if you need any support accessing the app.

Yours faithfully,

A handwritten signature in cursive script that reads "CHogben -".

Mrs C Hogben
Director of Raising Standards
