SCHOOL  
& SIXTH FORM

# EXTRA-CURRICULAR ROUNDUP

Welcome to our extra-curricular round-up for this term. This edition showcases the wonderful opportunities that are on offer at Driffield School. Our extra-curricular programme is designed to provide a wide range of experiences that enrich character, community involvement and social development and it has been great to see so many students involved! A big thank you to all the staff who have been so generous with their time to enable the extra-curricular activities to take place.

THE PERFORMING ARTS DEPARTMENT WILL DIRECT ANY STUDENTS PARTICIPATING IN THIS YEAR'S PRODUCTION, *WE WILL ROCK YOU*, TO THE RELEVANT LUNCHTIME AND AFTER SCHOOL REHEARSALS.

# MATHS DEPARTMENT

## CHESS & LEGO CLUB

The maths department continue to run the ever-popular chess and Lego clubs. Chess is on a Wednesday lunchtime and open to all year groups. Students are welcome to come along and play a game. All levels are welcome: new players can learn the basic rules and if you're feeling confident, you can challenge one of the teachers to a match.

Lego club is also open to all students. Students from Year 7 all the way up to the Sixth Form attend on a Friday lunchtime. We encourage everyone to be as creative as possible. However, we have a wide variety of instruction sets which can followed if you prefer.

# SOCIAL STUDIES

## CHILD DEVELOPMENT

Students have been offered the opportunity to complete the 'Introduction to Babysitting' qualification online through Norland College.

This free online course offers students a brief introduction to the wonderful world and potential of babysitting. It has been designed for teenagers and young adults who are thinking about offering babysitting services for the first time.

The course covers topics such as important questions to ask new clients (i.e. parents or legal guardians), legal responsibilities when looking after children and communicating with parents.

# ART CLUB

We would like to celebrate and congratulate the winners of the Christmas Card Competition for this year:

- Maisie A Y8
- Emily W Y13
- Cleo W Y10
- Emily A Y8
- Elle H Y7
- Josie G Y8
- Courtney B Y9
- Lili-Rose R Y7

The students have worked very hard to create amazing, festive designs, with media and materials ranging from coloured pencil, to digital art. Money raised from selling the cards will go to the charity "Save the children". We were thrilled to have so many fantastic entries and really appreciate the hard work and dedication that has gone into making each card.

Maisie A year 8	Emily W year 13	Cleo W year 10	Emily A year 8

JOSIE G Y8 - COMPLETED IN ART CLUB WITH MISS BRAMLEY

# MUSIC

## MUSIC UPDATE

This half term has been a busy one with music performances. In late November, Head of Music Mr Couper led the school ensemble and hosted a concert for Northfield Infants School Years 1 and 2 and students from Kings Mill School. This concert saw students from these schools get involved in the ensemble and everyone sang together. This was a great opportunity to showcase the music provision at Driffield School to inspire students to maybe one day join the band.

On Thursday 8th December, GCSE music students represented the school performing at All Saints Church as part of Henry Naylor's Funeral Directors Carol Service and on Monday 12th December 7pm we held our annual Christmas Concert. This involved over 50 students performing a varied programme of solo and group pieces.

On Thursday 15th December, students from the charity committee and Year 10 GCSE music group are singing carols and songs at Riverhead Residential Home, as well as bringing gifts for the residents. The students have worked incredibly hard with rehearsals.

After Christmas we are working on our school production *We Will Rock You* ready for performances in February 2023.

Students are also working hard on performances for our music tour to Barcelona in May 2023.

# DRAMA

## WE WILL ROCK YOU

**ERIN WEBSTER (OZ)**

This year, in the performing arts department, the story of "We Will Rock You" was carefully selected to showcase the wide range of talent that Driffield School possess. The story itself is set 300 years in a distant future where the world has been stimulated by the development of technology and renamed "the iPlanet". The planet is controlled by the show's villain, Killer Queen (Ruby Briggs), a ruthless businesswoman whose one kryptonite is Rock 'n' Roll, who is supported by her sidekick, Khashoggi (Dan Casey). The concept of the ideal technological world is rebelled against by new graduates, Galileo (Tom Hudson) and Scaramouche (Erin Baker) who are both outcasts from society. These two outcasts meet the Bohemians, led by Brit (Cameron Walker and Markos Fakiolas), Oz (Erin Webster and Ivy Rodgers) and Buddy (Tabitha Dean and Ella Dean), who strive to defeat Killer Queen over her ideologies and dictatorship over music. Can Galileo, Scaramouche and Buddy defeat Killer Queen and restore Rock 'n' Roll to the citizens of the iPlanet?

# DRAMA

## **WE WILL ROCK YOU - MY JOURNEY, BY ERIN WEBSTER (YEAR 10)**

We started working towards our production in September 2022, and have so far, made a lot of progress on the show's story, characters and songs. As a cast, we have all formed strong friendships with each other over the course of the time we have had together and collectively developed our characters and roles in the show. The show features a wide range of personalities in the characters and our cast includes a wide range of personalities, so it has been a joy to see this similarity between everyone. Personally, to have formed these friendships is a strong point of the show as a whole as if you had asked me if I had known these people in July, I would have denied this, but now I have got to know the cast and see them for who they truly are, I have the honour and the privilege to call them my cast mates.

Over the past 4 months, I have embodied the character of 'Oz' in the show, a role in which I share with Ivy Rodgers. I enjoy playing this character so much, because I can see a contrast of the persona from myself and it has been incredible to explore this and express my emotions in a different light. This role has also provided me with a sense of achievement, as in 2020, I was involved in the school's production of "Grease", in which I was in ensemble, and I have watched the productions the school has put on over the years, but to have such a huge involvement in this show, is a dream come true. One thing in particular that I have enjoyed the most, is to see how the iconic songs of Queen have been interpreted and put into a show that is comedic, emotional, and enjoyable for many.

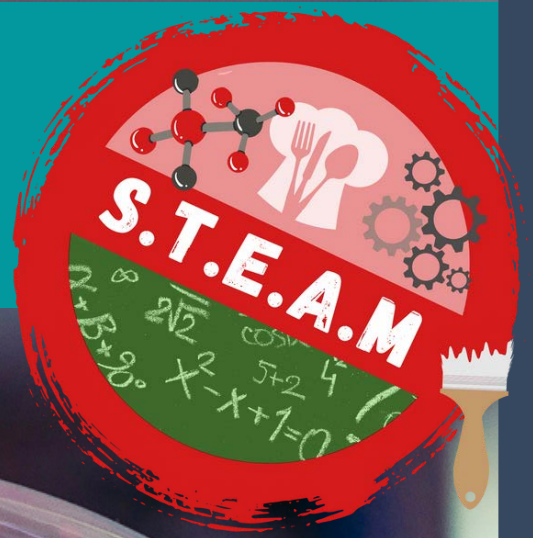

The show is being supported and created by many teachers from different areas of the school; these teachers have choreographed and blocked many scenes and numbers with us and it has been so fun to work with them and have support from many across the school. All the teachers who work in the production have different roles, but collectively benefit the overall process. Particular teachers, working on choreography in the show who have backgrounds in drama have been very helpful towards us all, meaning this show can be the best that it can be.

So far this experience has helped me a lot; not only about the show itself, but a lot about myself. I found myself in situations where I have strong relationships with people, that I wouldn't have had before, and for this I am truly grateful as this makes the process so much easier. To take these new-found friendships away from this experience would be the cherry on top of the cake for me. I have also enjoyed getting to work with people of a mixed age group in the show, from sixth formers to KS3 students and witness what they put forward to the show in their scenes and numbers, because it is those of a younger age group who get involved that make the show what it is. I have been lucky to see this contribution on a primary account and I saw the potential that the show has through the work of the ensemble.

The show itself will showcase from February 7th – February 11th 2023 and will alternate certain characters between nights. Tickets for the school musical will go on sale in the New Year. Watch this space?

## THE DRIFF-TERS AND GREENPOWER

Drifffield School has recently started its own Greenpower Team, called the Driff-TERS.

'This is a national initiative run by Greenpower Education Trust. Greenpower Education Trust is a UK based charity which gets young people enthusiastic about science and engineering by challenging them to design, build and race an electric car.

They supply age-appropriate Kit Cars, which can be built in school, college or elsewhere and raced at motorsport venues at Greenpower organised events. The Greenpower challenge uses the excitement of motorsport to inspire young people to excel in Science, Technology, Engineering and Maths (STEM).

Teams of students compete at Greenpower events in the UK and other countries including USA, Poland and China. The annual International Final takes place at venues such as the UK's Silverstone National Circuit and Goodwood Motor Circuit.'

The Drifffield team is currently for year 12 and year 13 students with the long-term aim of starting a team for students in year 7 to 11. The team meet weekly after school and are currently researching different materials for the kit car as well as how to raise funds to buy resources.

If any local businesses would like to offer sponsorship, then please email [ellis.short@drifffieldschool.org.uk](mailto:ellis.short@drifffieldschool.org.uk)

# P.E – STAFF SPOTLIGHT

## Role

Head of House & PE Teacher

## Favourite Sport

I love playing, watching and teaching tennis.

## Sporting Idol

My sporting idols are The Williams Sisters, Venus and Serena.

## Greatest sporting moment watched?

Women's Olympic Hockey final win.

## Greatest sporting moment achieved?

Representing the North at Mixed hockey.

## What advice would you give a younger student?

Have a go at everything; you never know whether you like something if you don't try it.

---

## Role

Co-ordinator of CEIAG, Teacher of PE and Health and Social Care

## Favourite sport?

Tennis, Skiing, Hockey

## Sporting idol?

Dame Jessica Ennis-Hill, Katarina Johnson-Thompson, Charlotte Fry; all brilliant sporting idols who work hard, are determined and persevere.

## Greatest sporting moment watched?

Watching Jessica Ennis win Gold in the Heptathlon at the London 2012 Olympics. Watching ex-student Charlotte Fry riding Everdale at the Tokyo Olympics and winning a team Bronze medal in the dressage.

## Greatest sporting moment achieved?

Passing my ski Instructor qualifications in Tignes, France and completing six ski seasons.

## What advice would you give a younger student related to sport, health and exercise?

Put full effort into every PE lesson and attend the extra-curricular clubs. Get fit and stay fit, so make sure you are doing some form of cardiovascular training every week. You may be the next future Olympian, so try hard and be determined.

# P.E

## BADMINTON TOURNAMENT

As part of the East Riding school sports partnership Driffield school welcomed Bridlington and Headlands key stage 3 and 4 badminton for a round robin tournament of singles and doubles. Each team consisted of four players who are seeded . The top two seeds played singles and then a mixture of all four played three doubles games. After a slow start against a strong Headlands team the under 13 under 15 boys rallied against Bridlington school and won a number of games.

The girls played fixtures against Bridlington school in the same format and won and lost a variety of singles and doubles games. An excellent evening with the sportsmanship shining throughout and as a consequence numbers improving for badminton club every week. Well done all.

## GIRLS FOOTBALL

The girls football team played their first competitive tournament against Snaith, South Hunsley, Goole and Wolfreton.

The first match was incredibly tight, with a few close chances for Driffield, but unfortunately Goole snuck one past our keeper late on to take a 1-0 win.

The second match against South Hunsley was very tough; a very strong and physical opposition proved to be stiff competition for our newly formed team. Despite the best efforts of our girls, South Hunsley won 3-0.

Our third match was brutal. An experienced Wolfreton team showed their class on the ball to take a win, though both teams played well and it still proved to be an exciting game with chances for Driffield and an amazing goal by Evie. Wolfreton won 7-1.

Our final match was against Snaith. After the loss to Wolfreton it was great to see the girls keeping their heads up. They continued to challenge for the ball until the final whistle. A fantastic team goal kept us in the match but unfortunately Snaith were just that bit stronger and took the victory with a 3-1 results.

Wolfreton took the overall win.

# P.E

## ATHLETICS

The Y7 and Y8 athletics teams travelled to Longcroft to take part in the East Riding sports hall athletics competition. This involved two teams of boys and girls from both year groups participating in a number of throwing, jumping and running activities. Field events ranged from indoor shot, standing triple jump, standing long jump, speed bounce and vertical jump and the track events involved a full length lap of the sports hall with a rebound board at either end for the students to push and drive for the next lap.

Races were over two, four and six laps and an eight lap paarlauf which involves two runners splitting the eight laps anyway that suits them as runners.

There was also relays of one and two laps each and the students took part with energy, enthusiasm and a commitment to every single activity. The girls teams finished fifth in their respective competitions and the boys teams finished second. An excellent evening with schools from Driffield, Hornsea, Headlands, Beverley Longcroft School, Beverley High School and South Holderness. We look forward to the next school partnership competition which is dodgeball in the New Year.

## NETBALL

On Tuesday 15th November two teams of girls from Driffield School (Year 9 and Year 11), travelled to Market Weighton School for their first netball fixture of the year. The girls came together against a tough opposition and put into play what we had been practising at training. With some brilliant goals from Ruby Fenwick-Hall and Elle-mae Carpenter and some strong defending from Players of the match Elizabeth Hamminga and Alicia Gale. The girls are continuing to improve and grow as a team. Well done to all the girls involved.

# P.E – STUDENT FOCUS

## LAURA PILMER

Year 11 student, Laura Pilmer proudly stands with her teammates as they make history as the first ever DRUFC U16' club to play on the first team pitch.

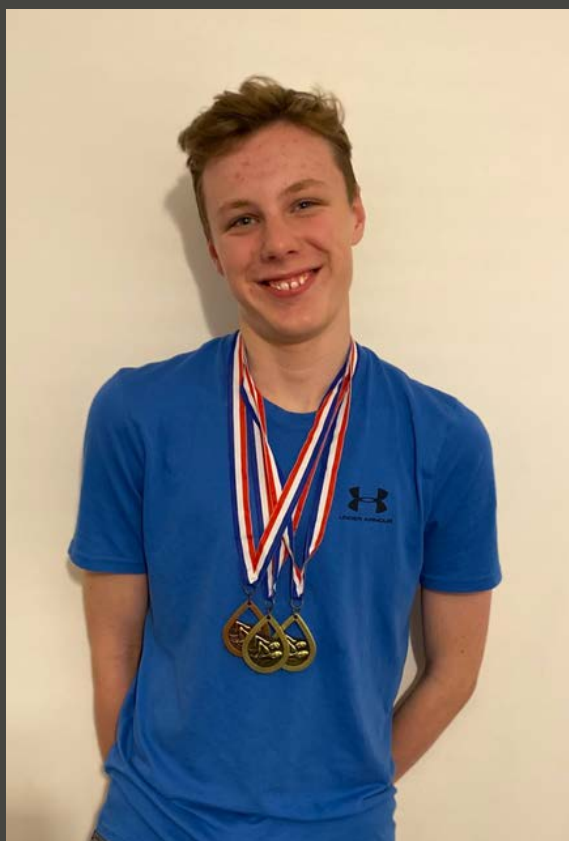

"Playing rugby makes me feel free and happy and being part of a team and making friends really is the best part."

Laura joined the U16s just over a year ago, learning the basics of the game and gained strength and fitness along the way.

She was also given the opportunity to join the Health Hub and get a personal trainer to assist in her overall fitness levels too.

Laura's first competitive match was in Harrogate in September where they came away with a win. Since then, they have played a festival match on the beach at Bridlington with over 200 girls and a national competition at Sandal with over 600 in attendance.

Laura's first home match in November was historical for DRUFC and saw her take up scrum half position which she is really enjoying.

## OSCAR CROSBY

I decided to swim the length of the English Channel at Driffield Leisure Centre in aid of the local foodbank.

The reason I decided to do this is that was I recently made aware of the number of pensioners and families in our local area that were struggling to put food on the table.

I took time to reflect to see if there was something I could do to help, so I decided to swim the length of the channel.

The funds will be used to help feed local people greatly in need over the winter months. Over the last 10 days I had aimed for 140 lengths per day and I am pleased to say I have achieved this.

I have raised £200 so far but will be keeping my [go fund me](#) page open a little longer.

# P.E

## MATCH REPORT

Year 7 Rugby boys off to a flying start

Hornsea 5 Driffield 30

Driffield Year 7 Rugby team travelled to Hornsea for their first ever Rugby fixture full of excitement. Having dominated the early stages, they were rewarded when Ashton S finished a fine move on the right wing. With Driffield's forwards (notably Willis and Sam H) working tirelessly, Driffield extended their lead with further tries from Will S and Lewis P leading 15-0 at half time.

Determined to maintain their superiority, Driffield set the tone with a blockbusting tackle by Blake T. Ashton got his second try following excellent backs move involving Tyler and Riley. Man of the match Blake got his reward when he crashed over for the 5th try. Hornsea, who never gave up, were rewarded with a try and the scoring was completed with a lovely pass from Will S completing some fine team play. Everyone dug in deep and the team spirit was fantastic. The team cannot wait to play again.

Cameron Wilkinson (Year 7)

# P.E

## MATCH REPORT

It was amazing to have a school rugby game with Drifffield so all of us can enjoy a sport we love and give newcomers a chance to try out the sport. Newcomers were treated equally to those who play the sport for a team. It even lead people to join Drifffield RUFC and are enjoying playing for them. The newcomers were taught through their mistakes on the pitch but they learned very quickly as those who play for a team helped point them in the right direction.

Both teams respected each-other a lot and made everyone feel welcome as we were playing away. There were no arguments or bad talk towards each other; we just played the sport as it should be. Everybody worked well together and encouraged each-other which certainly contributed to our well deserved win. Thank you to all those who took part and helped organise the game for us.

Ethan Lysons Y11

# P.E

## MATCH REPORT

Y10 boys rugby vs Wolfreton and Beverley Grammar at Drifffield RUFC Floodlit pitches.

On 22nd November Drifffield School (Y10 and a couple of Y9s) had a set of games against Beverley Grammar School and Wolfreton School. To play these games all the teams travelled to Kelleythorpe Industrial Estate pitches.

Drifffield first played Wolfreton School. Drifffield played well and came away with a good win. It was a mixture of good tries by forwards like Charlie Ivens (Y10). We won the ball from a ruck and passed the ball down the line to Charlie who ran straight through the defensive line and scored. The backs scored several beautiful tries - for example, when Will Harrison (Y9) ran through a gap in the defensive line. These tries and many others led to Drifffield beating Wolfreton.

Drifffield's second game against Beverley Grammar School was very tough. Despite things going against us, we never let our heads drop and we worked in defence by making some big tackles. However, Beverley's experience showed when they started taking advantage of spaces in our tiring defensive line.

Overall, Drifffield had a very fun and enjoyable game against these brilliant teams. Drifffield are looking forward to the next game so they can work on their mistakes and errors.

Danny McCann Y10
