Dear Parent or Carer,

RE: Year 11 Steps to Success Evening

Your child has been invited to a 'Steps to Success' evening on Thursday 2 March 2023.

The purpose of the evening is to engage students with revision and provide them with practical tips and techniques to support their preparation for the summer exams. All students will receive a revision goodie bag which includes materials to aid their revision at home.

This event is aimed at students and we have asked them to bring along one adult who will support with their revision at home. All Year 11 students are invited to this evening and therefore we ask that they attend with one adult only as spaces are limited.

We ask that students arrive at North Hall between 4.45 pm and 5.00 pm. The event will start at 5.00 pm and at this time there will be refreshments and a pub style quiz. The Steps to Success talk will start at around 5.30 pm. We would like students to opt into two workshops that will follow the main talk. They should select two that will most benefit their own needs. These are outlined below. Resources from all the workshops will be provided in a booklet for all students to take away at the end of the evening.

We do hope that you and your child are able to attend this evening in order to aid their remaining few weeks of revision before the exam period begins on Monday 15 May 2023.
