24 February 2023

Dear Parent or Carer,

**RE: Driffield School & Sixth Form National Careers Week Monday 6 March – Friday 10 March 2023**

Starting on Monday 6 March, we will be celebrating National Careers Week across the school. This will include activities in form time, lessons and assemblies linked to future career opportunities.

On Wednesday 8 March we are delighted to be welcoming Kathryn Burn into school. Kathryn reached the final of the BBC Apprentice last year and now runs her own successful online sleepwear company. All Year 9 students will have a session with Kathryn and this will be followed up with smaller workshops on entrepreneurship that all students had an opportunity to sign up for.

To support the work of careers at home, students can use their START profiles to explore careers further. [www.careers.startprofile.com](http://www.careers.startprofile.com). Their username is their full school e-mail and their password is their date of birth for example 09/03/2010. Students can also access further information at: <https://www.bbc.co.uk/bitesize/careers> and <https://nationalcareersweek.com/>

Yours faithfully,

A handwritten signature in black ink that reads "R. Mortimer".

Mrs R Mortimer  
Coordinator of Careers, Education, Advice, Information and Guidance
