

## R-evolution School Bike Library – Loan Agreement

*R-evolution provide bikes which have been restored and fully safety checked by a qualified cycle mechanic.*

*We will service the bikes at least twice each year and will be responsible for repairing bikes if faults arise.*

*The school will store returned bikes.*

*Bikes are offered at the discretion of R-evolution in regard to cycle sizing against individuals. R-evolution will also provide appropriate helmets for loan bikes.*

By signing and returning the slip attached to this agreement, I understand that it is my responsibility to ensure that:

- 1) Bikes are stored securely, undercover and kept reasonably clean.
- 2) Bikes are not abused or damaged unnecessarily.
- 3) I check the bike regularly to identify faults.
- 4) I do not use a faulty bike and return it to the school reception staff and report the fault. R-evolution will endeavour to correct the problem as quickly as possible, however you may be without a bike until your loan bike is repaired.
- 5) I return the bike to the R-evolution at the end of the loan period or that I sign another loan agreement.
- 6) I bring bikes into the school for a service (dates to be determined).
- 7) I understand that cycling can be a potentially risky activity and bikes are loaned entirely at the risk of the loanee.

*R-evolution always recommend that you wear cycle helmets (supplied) and that consideration is also given to appropriate supervision.*

*Please note that members of the public are generally discouraged from attempting to repair bikes themselves and any repairs conducted will be entirely at your own risk.*
