Dear Parent or Carer,

RE: Junior Ski Trip, Easter 2024

Following our most recent letter regarding the ski trip, we explained that we had been able to increase the number of places on offer for this trip. We are however still in a position of being oversubscribed and as we detailed in our initial letter, we have selected students by randomly drawing names out of a hat.

On this occasion, we regrettably inform you that your child has not been successful in gaining one of the places available.

I fully appreciate that this may be extremely disappointing for students. At this stage their name will remain on a reserve list, and should another student withdraw from the trip we will randomly select a name and offer the place as a replacement. Future trips from the school will be running, and other opportunities will be available. As your child has not been successful on this occasion, we will give them priority in future years.

All deposits will be paid back to you via ParentPay.

If you have any further questions, please do not hesitate to contact me.

Yours faithfully,

A handwritten signature in black ink that reads "Adam McDonald".
