Dear Parent or Carer,

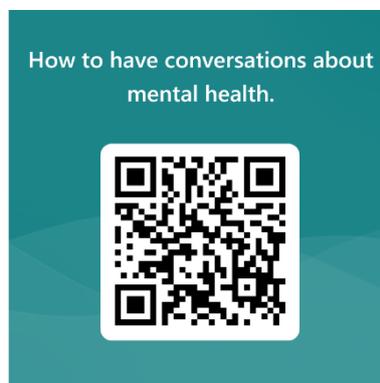

RE: Parental Workshop

I am delighted to be able to write to you about our next parental workshop. This will be a session offered by Sally Mulligan, our MIND practitioner, on "How to have a conversation about Mental Health".

The event will be on Thursday 25 May and will start from 4.45 pm, with tea or coffee available, in the ACE building where the main school reception is. There is a planned start for the session of 5 pm. The session will last approximately thirty minutes and there will be an opportunity for any questions at the end.

If you are interested in joining us for this workshop, please access the link or QR code below by 3.30 pm on Monday 22 May. Spaces are limited for this session but, if it is popular, we would be able to offer a further session later in the summer term.
