Dear Parent or Carer,

RE: Celebration Evening - Thursday 15 June 2023

At Driffield School and Sixth Form we seek to encourage every student to believe in their own abilities and to strive to achieve excellence. Every year we take pleasure in watching students go the extra mile in terms of their hard work, effort and achievement. In recognition of this, we are holding a celebration evening to reward both exceptional effort and achievement.

We are delighted to be able to inform you that, following careful consideration, your child has been nominated by teachers at the school for one of these very special awards. Students have been carefully chosen on the basis of their hard work, achievement and a general positive approach to learning as well as their contribution to the school and house ethos. We are proud to be able to inform you of this achievement and are certain that you will feel equally proud as parents or carers.

These certificates are to be awarded at the Driffield School and Sixth Form Celebration Evening on **Thursday 15 June at 5.30 pm** in the North Hall. We do hope that you will also be able to attend to watch the presentation. We anticipate the event lasting just over one hour. We will be offering refreshments for parents before the event so please arrive from 5.15 pm.

Please complete and return the slip via the following link by Monday 6 June: <https://forms.office.com/e/XeSnQSCex0>. Unfortunately, due to restrictions on numbers to meet fire regulations, we must limit guests to a maximum of two per student.

We hope you will be able to join us for this special evening.

Yours faithfully,
