

19 May 2023

Dear Parent or Carer,

**RE: OCR Cambridge National Coursework Workshop**

During the May half term holiday, we will be running a Cambridge National coursework booster session in Health & Social Care and Child Development. To supplement that students have done in lessons. This booster is intended to provide extra support to help their understanding of difficult concepts and to enable them to complete their coursework to their full potential.

We would like to invite your child to attend the Health & Social Care and Child Development booster which takes place on 30 May 2023. This will be a full day session running from 10 am – 3.30 pm. This booster session will take place in W105.

In order to allow for us to plan and prepare the appropriate amount of resources for the booster session please could you complete the consent form by Friday 26 May 2023 via the link below to confirm whether your child will be attending: <https://forms.office.com/e/Rfk5gmj3S1>.

Please note that as the booster sessions are taking place outside of term time, there will be no canteen facilities available on site. Students should therefore bring drink with them. If students are attending sessions for the full day they should also bring a packed lunch, alternatively they will be free to leave site during the lunch time break should they wish.

Yours faithfully,

Mrs K Goodwin  
Head of Health & Social Care
