Dear Parent or Carer,

**RE: Countryside Careers Event at Driffield Show Ground**

Driffield Agricultural Society are hosting this excellent new event on Wednesday 24 May to showcase the wide variety of careers which have their roots based in rural East Yorkshire. The event is open to all students, past students and parents/carers, and runs from 4 – 8pm. The event is free with plenty of free parking.

There will be a large variety of businesses from a diverse range, including agriculture (both livestock and arable farming), agricultural related industries, engineering/mechanical engineering, conservation, renewable technologies, supermarkets and supply chains, professional practices, and local and further education establishments.

This event is designed to work twofold,

- 1) To give the next generation an insight into the opportunities for employment and apprenticeships in the rural setting.
- 2) To assist rural businesses to find their next new team member.

We highly recommend attending this event as it will be an excellent opportunity for students, past students and parents/carers to get free impartial careers advice. It is an opportunity to network, to gain potential part time or full time future employment, or to seek out an apprenticeship.

Yours faithfully,

Mrs R Mortimer  
Coordinator of Careers, Education, Advice, Information and Guidance
