Dear Parent or Carer,

RE: Driffield School & Sixth Form School Buses

East Riding of Yorkshire Council Transport Services Department have informed us that there will be some amendments to the school bus services operating from September. The main change will be that the 8DR service (Wetwang bus) will be incorporated into the current 7DR service. The timings and pick up points for the villages on these routes will not change.

Additionally, there are some changes of service provider for some of the buses. Details of the changes can be seen on the updated Driffield Bus Routes 2023-24 poster attached.

Should you have any queries, please either contact Transport Services directly on 01482 395444; or alternatively please contact me on 01377 253631 or via office@driffieldschool.org.uk.

Yours faithfully,
