Dear Parent or Carer,

RE: IDL Intervention Workshop

As you will be aware, your child had access to IDL this academic year to support their literacy and / or numeracy skills during form time this year.

As part of this intervention, we'd like to offer parents and carers the opportunity to attend a workshop where we can give a tutorial on the intervention and more information on how it is run in school and how it can be accessed at home.

I would be very grateful if you could use the link below to give us your thoughts on the workshop.

Yours faithfully,
