Dear Parent or Carer,

RE: Food Technology lessons

As your child qualifies for free school meals, they are entitled to have their ingredients provided within their Food Technology lessons. If your child requires ingredients, we kindly ask that they let the teacher know the lesson before so that we can ensure the ingredients are ready for the practical. Please make your child aware that this will need doing each time they are doing a Food Technology practical.

If you have any questions, please do not hesitate to contact me.

Yours faithfully,
