Dear Parent or Carer,

**RE: STEM event**

This year we would like to offer the opportunity for your child to attend the Scarborough Science and STEM event, at the Spa in Scarborough. The day will engage the students in a wide variety of interactive activities to encourage them into further STEM learning and careers. If you would like to know more about the event, please use the website below:

<https://scarboroughengineeringweek.com/>

The event is on 10 October 2023. The students will depart school at 10 am and arrive back at 2 pm, this means students will be absent for periods 2, 3 and part of 4 for the event. Students should attend school in normal school uniform and bring with them any equipment and books for their period 1, 4 and 5 lessons (students will return part way through period 4).

The event is free, however there is a small cost to cover the coach travel of £10. In order to confirm your child's place on the visit, please complete the consent form via the link below by no later than Monday 2 October 2023:

<https://forms.office.com/e/AdKcGVn1fv>

Please also make payment of the £10 by the same date.

Students should bring a packed lunch with them for the visit. If your child is eligible for free school meals and requires a packed lunch providing for the visit please indicate this on the consent form. Should you have any difficulties making the payment, please contact me via [emily.dean@driffieldschool.org.uk](mailto:emily.dean@driffieldschool.org.uk). Please note, the visit may not go ahead if costs are not covered; and behaviour in lessons will be monitored running up to the trip and if the student does not meet basic classroom expectations they will be removed from the trip.

Yours faithfully,

A handwritten signature in black ink, appearing to read "E Dean".

Miss E Dean  
Acting Head of Design Technology
