Dear Parent or Carer,

RE: A Level Film Studies

As you are aware, your child has elected to study A Level Film Studies. As part of this course, it will be necessary for them to study a number of whole films and film extracts which are currently rated certificate 18. These are films which are part of the syllabus for the course and many of them feature in the text book to accompany the course.

We would therefore request that you complete the consent form via the following link to indicate that you are aware of this issue and that you give permission for your child to study these films as part of the course: <https://forms.office.com/e/pf6Gc0gSY9>. We would be grateful if you could complete the consent form by no later than Monday 25 September 2023.

Yours faithfully,

E. Fox

Mrs E Fox
Teacher of Film Studies
