Dear Parent or Carer,

RE: Citizens UK Summit

As previously advised, on Friday 15 September, all secondary schools in the Education Alliance Trust will be taking part in a national summit tackling sexual harassment and harmful behaviours. Unfortunately, as some schools are now unable to attend, the event has now been moved online. The event takes place during school hours, and we will therefore arrange for students to access the webinar in school.

As always, thank you for your continued support.

Yours faithfully,
