& SIXTH FORM

EXTRA-CURRICULAR ROUND UP

Welcome to our extra-curricular round-up for this term. This edition showcases the wonderful opportunities that are on offer at Driffield School. Our extra-curricular programme is designed to provide a wide range of experiences that enrich character, community involvement and social development and it has been great to see so many students involved! A big thank you to all the staff who have been so generous with their time to enable the extra-curricular activities to take place.

PERFORMING ARTS

We are delighted to be able to announce our principal cast with you for Little Shop of Horrors. The students had to go through an intense audition process so if you see any of the students around, please congratulate them on their success. Tickets for this event will go on sale in November. Many thanks, Mr Colley (Head of Drama)

PERFORMING ARTS

The Big Ensemble

Every Monday lunchtime for instrumentalists IN PA3 – this is a band of instruments playing a variety of popular pieces for all abilities.

Please bring a packed lunch for the rehearsal
12.35pm – 1.15pm

Woodwind Ensemble

All woodwind players please attend a group led by Mrs Walker every Tuesday lunchtime in PA5.

Please bring a packed lunch for the rehearsal
12.35 – 1.15

Vocal Ensemble 'Choiraoke'

PA3 – every Wednesday lunchtime for all singers!

This is a mix of choir rehearsal and karaoke to have fun through singing.

Please bring a packed lunch.
12.35 – 1pm

TRIPS & VISITS

YEAR 8 VISIT TO FLAMBOROUGH'S COASTLINE

Almost 200 Year 8 students have soaked up the sea air during a visit to the beach and cliffs at Flamborough's lighthouse in a joint English and Geography trip this October.

Activities carried out by students were delivered to enhance their understanding of the coastal setting for our Year 8 novel study in English. Field sketches, creative rock-writing and (the students' highlight) the rock stack competition were all completed to provide the students with some memorable learning experiences to take back into the classroom and beyond.

We were lucky enough to see seals, some glorious sunshine and smiles from our Year 8 students. Experiences like this are a valuable part of the learning experience and it has been fantastic to see the enthusiasm in our students over the two days.

TIGERS TRUST

DRIFFIELD SCHOOL JOINS UP WITH THE TIGERS TRUST PREMIER LEAGUE INSPIRES PROGRAMME

Starting after October half term, we are delighted to have secured a partnership with the Tigers Trust.

PL Inspires is a secondary school project funded by the Premier League Charitable Fund since 2019. At Tigers Trust the PL Inspires project works with students in secondary schools that typically face barriers to them achieving their full potential such as low confidence and self-esteem, attendance, or social skills.

Activities are delivered at school sites by staff from the Tigers Trust and they are focused on developing students' personal skills and supporting them to become more aware of next steps in education and the working world. Activity specific opportunities also provide the chance for students to engage with external visits, collapsed curriculum days, sports activities, gain qualifications and work towards a variety of incentives.

SPORTS LEADERS

The Sports Leaders UK course is accredited and upon successful completion of practical and learner booklet assessments, students will receive a certificate of competency. Students work with staff to develop knowledge of the basics of coaching and leadership using the STEP (Space, Task, Equipment, People) principle amongst other knowledge provided by our experienced staff team. The qualification takes a minimum of 12 weeks (1 hour per week) and where possible includes end point practical assessment with a local primary school to give students first-hand experience. Students must complete at least 10 guided learning hours for accreditation.

SOCIAL ACTION

Social action puts students at the forefront of project design, development, and delivery. Students will work together with staff to develop an idea that provides a positive impact in their school or local community. Students are given a £50 budget for resources where required. Ideas can often be focused on key points of the year such as Christmas or Easter but also focus on agendas relevant in today's society and specific to schools such as food poverty, well-being or environmental sustainability. The social action project also develops a wide range of skills such as teamwork, empathy, communication, confidence, budgeting, resilience and more.

TIGERS TRUST

SOCIAL SKILLS

Social skills activity is centred on students engaging with a range of fun and non-academic activities that provide the foundations to support students in becoming more confident in themselves and having an improved outlook to working closely with others. Students engaged with this activity primarily have low confidence or self-esteem as their primary risk factor. Working in small groups staff look at key themes that reach across education and outside life that may impact on students' ability to achieve their full potential, mainly focused on personal and social skills. Students will focus on a range of tasks and topics including teamwork, communication styles, time management and more through a range of hands-on activities.

CHANGEMAKERS

Changemakers is a female only programme that provides a safe space for female students to discuss areas that affect them but also opportunities to promote and celebrate successes of women and how society is embracing women more in the modern world. Sessions focus on embracing individuality and girls looking at topics such as social media, body confidence and role models. Students get a minimum of one visit by a guest speaker who share their journey as a female from a sport background or other. Students then undertake a small social action project which gives them the freedom to research, plan and implement their project in school.

Premier League
Inspires

SIXTH FORM

The Autumn term sees us welcome our new Year 12 students to the Sixth Form. They have already made an extremely positive impression and as part of their induction week they have been involved in team building activities in their new college groups and joined the Year 13 students in a welcome week visit to the "Lost Kingdom" adventure golf in Hull.

On Tuesday 17 October, award winning Illustrator and Graphic Designer, Kingsley Nebichi, delivered an engaging talk about his creative journey to our aspiring artists today. Receiving signed copies of his newly released collaboration piece, "Brilliant Black British History", students were inspired to jump into their own projects and set aside any thought of "Creative Block".

KINGSLEY NEBICHI

SIXTH FORM

The Student Union, our student leadership group, have organised weekly social events to ensure that the Common Room retains a vibrant atmosphere of community. These have included activities such as the annual "Chilli Challenge", "Common Room Karaoke", bingo and balloon "keepy uppy" championship.

EQUESTRIAN

DRIFFIELD SCHOOL & SIXTH FORM EQUESTRIAN TEAM

We are a member of the National Schools Equestrian Association (NSEA) who are an organisation that run competitions in dressage, showjumping, eventing and arena eventing across the UK at local, county, regional and national level.

Currently we have a team of six riders representing the school who compete at different levels in the four areas of the sport represented at NSEA competitions. Our riders are from all year groups - Year 7 up to Sixth Form.

Riders can compete in competitions as individuals or a team of at least three and there is a level to suit all riders from grassroots up to Medium level dressage and 1.20 metre showjumping, so there really is something for everyone to challenge their abilities and gain experience and confidence!

Competing as part of a team encourages riders to communicate, compromise, be supportive and enjoy the successes created from trust and a shared belief in each other.

MAISY WILSON & BETWEEN THE WATERS

GIRLS RUGBY

Several of the Drifffield RUFC under 16 girls attended a rugby trial for the Yorkshire Developing Player Programme in Sandal in which Jessica Hodgson, Sophie Shipley, Kaitlyn Scott, Isabelle Backhouse, and Kelsey Lavelle were all invited to join the squad for the 2023-24 season and are waiting for their first fixtures in the programme.

NETBALL

On Thursday 5th October, Hornsea visited Drifffield School to play a Year 9 and Year 10 netball fixture. It was planned that the match would be played outside but, unfortunately, with the rain, the plan had to be changed so the match had to go ahead inside.

The Hornsea girls played for local netball clubs so it was certain this would be a tough battle. The perseverance shown by the Drifffield side was exceptional and everyone kept on pushing through and worked well as a team. It was a tough match but was thoroughly enjoyed. A lot was learned and hopefully this leads to better success in the next upcoming match.

Girl of the Match went to Sophie Shipley for some superb defending, chosen by Headlands.

By Lucy Roberts, Year 10

NETBALL

On Tuesday 19th September, we played a friendly Year 7 netball match against Headlands School.

First, we all went on a bus to their school, and we got all of our positions ready for when we arrived.

In the first quarter we scored three goals and Headlands scored one. In the second quarter we played our very best as we scored five goals to get the score to 8-1. In the third quarter we didn't do that well with both teams adding a goal each, making the score 9-2. In the final quarter we managed to score one more goal in the last few minutes making the final score 10-2 to us.

We tried our hardest, which led to victory, and we are very grateful for having a chance to play against Headlands School.

By Amelie Hook, Y7

GIRLS FOOTBALL

The Driffield girls Under 15s team went to Hull to take on the strong team from St Mary's College in the first cup game of the season. Captained by Mia Lount the team faced a tough game against a strong St Mary's side, but the girls fought the hard battle until the full-time whistle.

We had Courtney in goal who made some wonderful saves. Lucy, Aleysa, Rebecca, Kimberley, Bethany and Lily were strong in defence, our midfield of Laila, Josie and Elsa worked hard to release the ball up to our upfront players of Chloe and Ruby who made some very strong attacks and were unlucky not to score. We worked together as a strong team and supported one another when needed.

St Mary's attack was strong, and they are a very good team. They were a great team to play against which we can learn from. Unfortunately, even though we played an exceptional game, we didn't walk away with a win, however we walked away with smiles on our faces, no major injuries and proud of each other and didn't let this dishearten us. As a team we are all eager to now see where this leads us and who we'll play next, whether that be competitive or friendly.

By Chloe Jackson Y10

RUGBY

After a good warm up the match got under way against Wolfreton School. Although pressure was put on Wolfreton throughout the match, on the day, they were a cut above the Drifffield School team.

Special mention to Harley Mitchell for putting in some huge tackles and big run on his first ever rugby match.

Overall, very few handling errors were made by Drifffield but Wolfreton dominated the game.

The scrum was strong, some big clearance kicks, really good plays and good team spirit. We played hard to the end, but we sadly did not win.

Harley Mitchell, Oscar Wright, Ben Kidd, Louie Brown, Oscar Crosby, Sam Smith, Harry Dring, Will Reynolds, Will Raines, Stan Aspey, Harry Room, Hudson Clark, Austin Woodcock, Gabriel McGreal, Sonnie McGreal

YEAR 8 STUDENTS' RUGBY LEAGUE SUCCESS

Form 8H1 students, Will Sims and Ashton Spence, were selected to play for the West of Hull Under 12 City of Hull District Rugby League (COHDRL) East V West Origin rugby league game. They have trained and then played with a squad of 20 other players from the COHDRL teams. The match was played last weekend at Hull KR's Craven Park and the game ended in a phenomenal 38-6 win for the West of Hull! This has been a great experience for the both of the boys, who both play for Beverley Braves Rugby League Club Under 12s team. They thoroughly enjoyed the experience and it was a big learning curve for their game. We are delighted to congratulate them both!

BOYS FOOTBALL - YEAR 7 B SQUAD

On a lovely sunny evening for football, Drifffield Year 7 played against Bridlington school in a friendly fixture to gain experience in the full sided game. Nine out of the thirteen boys had never played a full competitive match before and this was a great effort by all concerned, with everyone giving 100% effort.

Both teams started brightly with lots of energy and enthusiasm and it took a while for the players to settle into positions before they started to confidently pass and keep possession of the ball. After a strong 15 minutes in the middle of the first half, Bridlington went into half-time with a four nil lead.

Drifffield swapped a lot of players around in various positions and started the second half a little brighter and although they conceded a further three goals they managed to score one of their own after good play down the right-hand side.

A thoroughly entertaining evening and the boys are eager for their next fixture against the local schools.

DRIFFFIELD Y8 V MALTON

Drifffield Year 8 boys played their first home game of the season against an energetic and well drilled Malton side. They started sluggishly and never really got going as Malton passed the ball freely and romped into a 3-0 halftime lead. Stern words at half-time led to a more determined approach and Drifffield started to make some chances despite playing up the hill. Unfortunately, two very well taken Malton goals followed Hopper's close range effort to leave Drifffield suffering a 5-1 defeat and out of the National cup.

NATIONAL CUP Y7/8 FOOTBALL VS HEADLANDS SCHOOL

A group of Year 7 and 8 students competed against Headlands School in the first round of the National Cup. Spirits were high as they knew they had a good chance to progress through the Cup.

The game started with Drifffield on top, and it wasn't long before Drifffield had opened the scoring with Lily Ellis adding two goals to the score sheet making it 2-0 at half-time.

Headlands came out in the second half determined to put Drifffield under pressure from the whistle. Drifffield were playing some excellent football, but unfortunately Headlands were able to add a couple of quick goals making it 2-2. In the rain and wind, both teams were searching for the winner and unfortunately for Drifffield, Headlands were the team to find the back of the net, making the final score 2-3.

Drifffield played superbly and there will be plenty of matches for them to enjoy in the future.

NATIONAL CUP

Drifffield School entertained Malton in the National cup second round at Year 8 and Sixth Form level.

The Sixth Form started brightly playing some entertaining football and keeping possession well against the young Malton side. The pressure soon paid off with quick incisive passing, leading into an easy finish inside the 6-yard box. Bateman, then dribbled past Malton defenders and fired neatly into the bottom corner from 20 yards. Kirby chased a lost cause and was the beneficiary of a solid 50-50 tackle which ricocheted into the net to make it three nil. Drifffield made it four before half-time, and the game seemed to be over, but Malton fought back in the second half as Drifffield became complacent and a keeper error and two penalties led to a very nervy final few minutes.

Final score 4-3 Drifffield

DRIFFIELD Y8 V HEADLANDS

Driffield travelled to Headlands for their first game of the season and were tested in the very wet conditions. They tried to play some attractive football, and their movement was very good around the pitch. They unfortunately fell behind to two very strong goals from the powerful Headlands forward bursting through from the halfway line and he finished well on both occasions. Driffield replied with two well taken goals and went into the lead 3 -2 only to be paid back by the same striker to complete his hat-trick. The game finished 3-3 and the teams took part in a friendly penalty shootout to finish.

Y7 BOYS V MALTON

A beautiful evening saw Malton welcome a very excited Driffield side to their amazing ground and facilities. The game started intensely as Driffield were on the front foot as Louie whipped a fantastic ball in from a corner and an unfortunate Malton player hit it into the back of his own net. Malton however wouldn't go down that easily as they struck back with a nice finish in the top corner.

The second half commenced with both teams desperate to make a breakthrough. Malton took the lead as a brilliant run in-behind was made and finished well but Driffield in their first match weren't done yet as Louie's shot finished amazingly curling away from the keeper and slotted in the corner to make it 2-2 taking the cup tie to penalties.

Malton took the first finishing their first penalty, then Harry stepped up to take Driffield's first penalty and he put it away in the top right corner, both teams took four more penalties and each team missed two penalties, as it went to sudden death. Malton missed giving Liam the chance to win Driffield's first ever match, and he put it away as cool as always and Driffield came away with a win in the National Cup.

STUDENT FOCUS

HARRY GODDARD

I was seven years old when I started playing pool and I was ten years old when I took up snooker. However, due to covid 19 I wasn't able to play at all for nine months. I practise and play locally in Pocklington and for South Yorkshire in Doncaster. I play pool in Under 18's tournaments and in snooker I play against adults in places like Leeds. I obviously play for the South Yorkshire region at pool and also for England Under 15s.

Titles I have won are:

- Market Weighton club singles twice. (snooker)
- York castle league twice. (snooker)
- Beverly handicap once. (snooker)
- Two cue stars down South. (snooker)
- Market Weighton doubles twice with my dad. (snooker)
- Clock house Grand Prix. (pool)
- Murphy's google Under 16's (pool)
- Under 15's England national team event (pool)

I like pool and snooker because when I see my improvements it makes me want to practise more and more everyday. I don't really have a proper reason why I like it; It just gives me a buzz.

My dad used to play a high standard of Pool and had a mantle piece full of trophies. When I was little I always tried to touch them and my dad said if you start playing you can win your own and touch your own whenever you want. So the reason why I started is because my dad inspired me to.

In a few weeks I'm going to the County finals to play Pool in Mansfield for 4 days. Then a week after that I am going abroad to Malta to play Pool for my national team. (England) with Tyler Hemstock, Eli Jackson and Cole Boothroyd.

STUDENT FOCUS

EMILY HARRINGTON

I'm Emily Harrington and I'm in year 10. I love to dance and hope to be a professional ballet dancer with a ballet company when I leave school.

My dance journey began when I was just 2 years old, when I joined LS School of Dance. My love for all dance genres has grown over the years, including ballet, tap, Modern, jazz, lyrical, contemporary, commercial and even acro, but it wasn't until I was about 9 years old that I realised that ballet, in particular was the one form of dance that I really loved. I danced every night of the week with LS but my teacher recommended that I look for something slightly more specialised to do alongside this.

After Covid, at the beginning of year 8, I applied to York Dance Scholars (YDA) and Ballet Boost Associates (BBA). Both of these are associate programmes with YDS providing master classes in Classical Ballet, Contemporary Dance and Modern Jazz every Saturday, and BBA which is a vocational Sunday ballet school for aspirational young dancers who wish to progress to full-time training or a professional dance career. I was very lucky and successfully achieved a place on both.

This now meant that I would be dancing on both days at the weekend too! I thrived in these classes and longed for more; dancing has never seemed like a chore to me and so the following year I applied for a place on the Academy of Northern Ballet's Associate program. This is run by the prestigious ballet company, Northern Ballet, who are a world renowned touring Company. Their home studios are based in Leeds which means I would be training in the same studios as the company themselves.

I was successful at achieving a place on their associate programme, however they also trained on a Sunday. After some negotiations, BBA suggested that they changed the time of their classes to later in the afternoon which would give me chance to get back from Leeds and attend their class too. I did this for the next year and again, absolutely loved every moment of every class.

STUDENT FOCUS

When looking at my options going forward, I knew that I wanted a career in ballet dancing. I also knew that Northern Ballet had a Centre of Advanced Training (CAT) which is the only CAT in the whole country to specialise in ballet. The CAT programme is notoriously difficult to get into but it is the equivalent of going to a full time, vocational ballet school whilst still attending normal secondary school too.

In February 2023, I auditioned with over 100 other students my age. I was called back in May for a second audition and in June I received the news that I had been successful in gaining one of only four available places in my age group!

I started in September this year and currently travel to the studios in Leeds every Monday, Wednesday and Thursday after school and on Saturday for the full day. I still dance with LS School of Dance every Tuesday and as often as I am able to for other events and competitions; we recently performed at Euro Disney and will soon be performing at Saddlers Wells in London too. My teacher, Miss Laura (a former student of Driffield school herself) has been extremely supportive of my dance journey and has encouraged and nurtured me throughout the whole process. I hope that with hard work, determination (and a little bit of luck) I will, one day, realise my dream of dancing on stage as part of a ballet company.

STAFF SPOTLIGHT

MRS BURKINSHAW

Role

P.E Instructor

Favourite Sport

I enjoy all sports and like being active and healthy.

At a young age I played tennis, hockey, cricket, football, was a keen swimmer and learnt to ski. I was always encouraged to take part in all the sporting activities at school and within the local community. I have continued to play sport throughout my life, playing hockey for Drifffield Hockey Club and tennis for Drifffield Recreation Club.

Sporting Idol

I would have to say Marcus Rashford because as a family we are massive Manchester United supporters and I respect him for what he does both on the pitch as well as off it, with all the work he is doing with child food poverty.

Greatest Sporting moment watched?

Growing up I would love to watch the Olympic games with my family seeing so many different sports and events and always watching tennis at Wimbledon.

Greatest sporting moment achieved?

I represented secondary school in the 1st XI Hockey team, and we won the East Riding U18 County Champions, and I also played in the tennis team, and we were the Midland Bank Yorkshire U15 Champions.

More recently, I joined Drifffield Hockey Club after not picking up a hockey stick for around 18 years, receiving the most improved player in my first season and progressed up the teams, playing for the 2nd team.

What advice would you give a younger student?

I would say give sport a chance, even if you feel you're not very good or you won't be good. Believe in yourself and have a go. You'll find what you enjoy and there is no better feeling than being part of a team. You will develop life skills and make memories that will last a lifetime.
