Dear Parent or Carer,

**RE: Sixth Form Revision Guide Subsidy Application 2023**

To support students in their preparations for the summer exams the Sixth Form are helping towards the cost of revision guides for Sixth Form students in Year 13. We are providing a £5 per subject subsidy for the guides. Please find to follow a catalogue that contains all the revision materials recommended by each department:

Students can select an item per subject area and once purchased, the Sixth Form will reimburse you £5 for each subject area. All purchases need to be completed by 12 January. Reimbursements will be made by the end of January.

Revision guides must be purchased in advance by students / parents / carers and £15 / £20 (depending on the number of subjects taken by student) will be refunded to you by BACS – please supply us with details of the bank account you would like the money to go into on the form below.

Please complete this application form and return it to the Finance Office with a receipt for the revision guides purchased.

Yours faithfully,

A handwritten signature in black ink that reads "D. Andrews".
