Dear Student name,

RE: Alumni Guide

As you receive your mock exam results and start to focus on what you need to do in the run up to the summer examinations I just wanted to take the opportunity to offer some encouragement to you. I'm sure you'll take the opportunity to attend the intervention sessions that staff will kindly run and that you'll be working hard in lessons. I want to reassure you that there is lots of time that you can use to secure the outcomes that you hope to achieve.

As a source of inspiration, please find enclosed with this letter our Alumni guide, which looks at just a few of the destinations and careers that some of our students have gone on to over the years. We have hundreds more of these kinds of stories and hopefully they show the sort of things that you can aspire to, once you have secured the best GCSE results possible. I am looking forward to working with you in the Sixth Form, helping to secure you the future destination that you are hoping for so that you eventually find your way into the pages of a publication like this!

Your GCSEs can really help you lay the foundations needed to progress in the future and I wish you all the best with your preparations for the summer. Later in the year I will send further information out regarding our transition process for Year 11 applicants to the Sixth Form. Meanwhile, if you have any questions regarding the Sixth Form, subject choices, or your preparation for study here, please don't hesitate to contact me at darren.andrews@driffieldschool.org.uk.

Yours faithfully,

A handwritten signature in black ink that reads "D. Andrews".

Mr D Andrews
Head of Sixth Form
