Dear Parent or Carer,

**RE: EduLink One App**

I am writing to inform you of a change to our Management Information System (MIS). The MIS is the system we use for student and staff data. We currently use a system called SIMS and will be changing to a system called Arbor on Monday 8 April 2024.

Whilst we migrate to Arbor, there will be some disruption to the EduLink One app. We will therefore be disabling functions on the app for parents and carers during the Easter Holiday whilst we link it to the new system. Please send any updates or communications directly to the school, rather than through the EduLink One app.

Once the Arbor system is fully embedded, we will write to you with an update on when the app will be fully functional.

In the meantime, if there are any changes to your contact details, please notify the school by emailing [office@driffieldschool.org.uk](mailto:office@driffieldschool.org.uk) or by telephoning the school on 01377 253631.

Thank you for your support.

Yours faithfully,

A handwritten signature in black ink, appearing to read "Mr Evans".

Mr M Evans  
Assistant Headteacher
