Dear Parent or Carer,

**RE: EdulinkOne App**

As you are aware, we have made change to our Management Information System (MIS), which we use for student and staff data. We have moved from SIMS to a system called Arbor.

Now we have made the change to Arbor, EdulinkOne will no longer be used as it not linked to Arbor. It is important that any updates or communications are sent directly to the school, rather than through EdulinkOne. Any messages sent through EdulinkOne will not be received.

We are currently working hard to be in a position to launch the Arbor Parent App later in the summer term, which will work effectively with our new Arbor MIS.

In the meantime, if there are any changes to your contact details, please notify the school by email to the address below.

If you need to contact the school, you can do so on:

Telephone: 01377 253631

Email: [office@driffieldschool.org.uk](mailto:office@driffieldschool.org.uk)

You will be able to see what homework your child has received as they record this in their student planner. Any resources your child needs for their homework will be provided by their teachers.

Exam entries and the exam timetable have been shared with students who are about to sit their GCSE and A-Level examinations, and further information about exams is also available on the [school website](#).

Thank you for your support, and we look forward to rolling out the Arbor Parent App later in the summer term.

Yours faithfully,

A handwritten signature in black ink, appearing to read "Mr Evans".

Mr M Evans  
Assistant Headteacher
