

9 May 2024

Dear Parent or Carer,

**RE: GCSE English and Maths Revision Booster Sessions**

The English and maths departments are running Saturday revision booster sessions to support students with their final exams in these subjects.

**Saturday 1 June – English Language**

The English department will be running a revision booster session on the morning of Saturday 1 June. This has been planned to be delivered just before the final English paper (Language Paper 2) and will give us an opportunity to specifically target the reading and writing skills needed to perform well in this exam.

The session will run from 9.30 am to 11.30 am in the East building English classrooms.

**Saturday 8 June - maths**

The mathematics department will be holding a revision booster session on the morning of Saturday 8 June. The session is designed to build on your child's independent revision work and the lunchtime and afterschool revision sessions that are on offer. This has been planned to be delivered just before the final maths paper and will give us an opportunity to specifically target the calculator topics that we know are highly likely to be covered in that paper.

The session will run from 9 am to 12 noon in the North building maths classrooms.

Please note, the canteen will not be open on either of these days, so your child should bring a drink and snack with them if they want to. Revision resources will be provided, but it would be helpful for the students to bring writing materials with them. As the maths booster will be focussing on calculator work, your child should make sure they remember to bring their scientific calculator.

We strongly recommend that your child attends this session to give them the best opportunity to be fully prepared for their final exams and to support them in achieving their potential in their English and maths GCSEs.

Please could you use the link below by Friday 17 May to indicate if they will be attending:

Yours faithfully

Dr K Compton  
Acting Director of English
