

6 June 2024

Dear Parent or Carer,

RE: Online Progress Evenings

Over the past two years, we have been running a hybrid model for progress evenings. This has meant that for some year groups the progress evening has been face to face in school, while for the other year groups it has been held online with other opportunities to visit the school face to face.

When we carried out a parental survey last year, feedback across the trust was largely in favour of continuing with online progress evenings, with many parents and carers citing the additional flexibility (especially around childcare), convenience and lack of waiting as the main advantages. Despite these comments, a significant proportion of parents also commented that they had missed the opportunity to meet with staff face to face at the school and this year we have ensured that there has been a face to face opportunity to visit the school for each year group where the progress evening was online.

As we review the school calendar for the 2024-2025 academic year, I would like to invite you to share your views on this hybrid model for progress evenings again.

The survey can be accessed using the link below:

<https://forms.office.com/e/Vqt3tBNBK4>

We kindly ask that you complete this survey by Friday 14 June. Many thanks in advance for taking the time to complete this.

Yours faithfully,

Mr M Evans
Assistant Headteacher
