

26 September 2024

Dear Parent or Carer,

RE: Sixth Form Activities

We have organised some exciting extra-curricular opportunities for Sixth Form students to take part in. These include activities have been organised with an external provider and include:

- E-Shotgun Range – Electronic Clay Pigeon Shooting.
- Tag Archery - A mix between archery and dodgeball where two teams of ten compete. Players use bows and foam-tipped arrows to tag opponents and eliminate them from the game.

The activities are free and are taking place on 30 September 2024 during period 4, 5 or afterschool and your child has requested a place to take part. We are timetabling your child onto a session that doesn't impact their lessons.

If you require any further information please get in touch.

Yours faithfully,

Mr D Andrews
Head of Sixth Form
